International Sports Convention

"Next year will be 15 years of the International Sports Convention – a project which I started in 2009 with my husband, Nigel. It was also the time I gave birth to our first son. It is therefore a privilege to host this important meet-up and ensure the next 15 years there will be even more female representation at the ISC, across all levels. We have made a lot of progress together, but we must keep pushing. I look forward to welcoming you all."

"Hosting this networking event at ISC 2024 is not only a great opportunity; it's a celebration of the strength and resilience that define women in sport. We look to champion excellence, diversity, and limitless possibilities that arise when we come together to elevate women in the world of sport. At the International Sports Convention, we strive for a future where women in sport not only break barriers but set the standard for excellence. I look forward to meeting and welcoming you all."
